ABOUT US

Devoted for sustainable development

Established and registered under the Society Registration Act 1973 on May 18, 2005, SHRISTI EDUCATIONAL & WELFARE ASSOCIATION stands as a distinguished non-governmental organization (NGO) committed to societal advancement. Our primary focus encompasses Government Livelihood Training Programs for Unemployed Youth and the empowerment of women. With a steadfast commitment to fostering sustainable livelihoods, we implement large-scale development interventions to drive positive change.

Our organization is dedicated to providing impactful solutions through research-based policy recommendations, skill development initiatives, promotion of entrepreneurship, and active facilitation of project implementation using market-based models. Additionally, we serve as an incubator for both organizations and individuals, fostering growth and innovation.

Operating from state-of-the-art centers, we are actively engaged in executing Skill Development Training Programs funded by both Central and State Governments. Our collaborative efforts include partnerships with esteemed entities such as the PMKVY 4.0, PM-Daksh, Madhya Pradesh Agriculture Engineering Department, Madhya Pradesh Tourism Board, National Urban Livelihood Mission (NULM), Madhya Pradesh State Skill Development & Employment Generation Board (MPSSDEGB), Backward Classes and Minorities Welfare Department, Madhya Pradesh (OBC), Madhya Pradesh Council of Employment & Training (MAPCET), and Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY). Furthermore, we are proud to be empanelled with prestigious institutions like State Institute of Agriculture Extension & Training, INDO-GERMAN Tool Room, M.P. Council Of Science & Technology, Madhya Pradesh State Co-Operative Union Limited (MPSCU), Samrat Ashok Technological Institute and Pithampur Auto Cluster for Government Skill Development Projects.

Our organization holds empanelment with the Madhya Pradesh PHE Department and Madhya Pradesh Jal Nigam Maryadit, Bhopal, for IEC-HRD Campaigning Activities. This involves actively promoting and campaigning for the JAL JEEVAN MISSION, NAL JAL YOJNA (Rajya Jal Mission), and SWACHH BHARAT MISSION Government Schemes.

Our organization is dedicated to fostering community development and empowerment through active participation in transformative initiatives. One of our flagship projects involves the comprehensive enrollment and digitalization of Samagra IDs under the Ministry of Rural Development (MORD) across 13 districts, encompassing a remarkable 28 lakh entries. Our commitment to creating a positive impact is reflected in our concerted efforts to contribute to the UID project, particularly in districts such as Indore, Ujjain, Mandsaur, Neemuch, Ratlam, Barwani, Jhabua, Alirajpur, Shajapur, and beyond.

Project Scope: Our mission revolves around the complete digitalization of data, ensuring seamless accessibility and efficiency in managing Samagra IDs. Operating within both client and server-based environments, our team tirelessly works to establish a robust foundation for the UID project. The sheer scale of our efforts, spanning 13 districts and involving millions of entries, underscores our dedication to the cause of community development.

Key Objectives:

Enrollment of Samagra IDs: We are actively engaged in the comprehensive enrollment of Samagra IDs, contributing to the larger goal of empowering individuals through a unique identification system.

Digitalization Work under MORD: Our organization is committed to the digital transformation of data, aligning with the Ministry of Rural Development's objectives to enhance accessibility and streamline administrative processes.

UID Basic Data Creation: In collaboration with the UID project, we are focused on the creation of fundamental data, laying the groundwork for a robust and inclusive identification system across the designated districts.

Impact and Outreach: Our efforts transcend mere data entry; they signify a commitment to uplifting communities and enabling them to access essential services with ease. By actively participating in projects of such magnitude, we contribute to the socio-economic development of the regions we serve.
